Description

Extremely oversized residential / touristic / agriculture plot for sale, totalling 76080 sqm, situated in the coastline village of Anarita, in Paphos district. There is a great potential as the land offers three different zones (please find a picture uploaded of the division of the zones) It is in walking distance from restaurants, Paphos International Airport, Paphos City Center, wonderful beaches. and other amenities.

It is located in a peaceful and quiet location while affording stunning views across to the sea, mountains and the coast of Paphos.

It is a great opportunity for a land investment.
