If you're looking for a 3-bedroom holiday rental villa with an additional ensuite accommodation that is on the same property yet completely separate, you are not likely to find anything as comfortable, convenient and perfectly located as this villa.

The villa overlooks the Ammos tou Kambouri beach. Located between the Love Bridge and Cape Greco, this small bay with its shallow waters and miniature island is ideal for quiet relaxation, a dip in the sea and sunbathing.

Make this villa your holiday base with friends or family and you can all enjoy Mediterranean living at its best. The open plan, tastefully furnished living and dining area with its fully equipped modern kitchen and discreet guest bathroom is an example of minimalist sophistication designed with your comfort in mind.

On the upper floor, all three bedrooms with open views have an ensuite bathroom, and every room opens onto a veranda, filling the whole villa with bright and sunny natural light every day. A laundry room is also conveniently located on this level.

For outdoor relaxation you can alternate between the private garden with its pristine infinity pool with jacuzzi section, and the pergola covered roof terrace with soothing panoramic views.
