Description

This very rare 3 Bedroom semi detached villa is one of only two built on the Venus Rock & Secret Valley Golf Resort. Larger than most 3 bedroom detached villas it enjoys a large plot with lovely sea views and a long driveway up to the house.

it is all presented in good condition and probably has the largest kitchen of any of the Aristo 3 bedroom villa designs with sliding patio doors leading to a front terrace. Completing the ground floor is an open plan dining room and living room with a downstairs guest cloakroom. Upstairs from a large landing area is access to three double bedrooms all with terraces, one to the front and two to the rear. The master bedroom is double aspect with an en suite bathroom. The other two bedrooms share a family bathroom.

The large rear garden is undoubtedly an attraction of the house as it has almost totally unobstructed views down to the sea. Bordered by green zones the garden feels open and is not overlooked.

This villa represents a great opportunity to own a large home in a very generous plot and is well worthy of viewing. Please call the owner's sole agent Tim Wilson on 99 147 069 for an appointment.
