The grand doors at the ground level open into a reception area and staircase at the right that leads up to the ladies and gents lavatories on the mezzanine floor and the private restaurant/bar on the first level.

On the ground floor after the reception area, you enter into the main restaurant from the double glass panel doors. The restaurant has a semi-circular bar at the right and fish aquarium walls that separate the restaurant seating area into two sections. The quaint courtyard at the back of the restaurants has more tables for outdoor dining.

The restaurant building has Title Deeds.
